

## Invitation for Summer Social 2019

Time for a weekend of partying and socializing with the poly-folks of Denmark.

On behalf of the organization Polyamory Denmark, we wish to invite you for a Summer Social event weekend from Friday the 30th of August until Sunday the 1st of September. This year, the Summer Social will be held in Hinnerup, near Aarhus, and we look forward to seeing as many members and friends of the organization as possible.

We have rented a scout centre for the weekend. Here you can choose, whether you prefer to sleep in a dormitory, a shelter or to bring your own tent.  
The address is: Trigevej 23, 8382 Hinnerup.

We are working on putting together a programme packed with activities, socializing, good food, partying, entertainment and campfires. There will also be an outdoor hot tub.

Like last year, we are looking forward to a series of fun workshops organized by some of you guys. We know that our members have lots of creative talents to be shared, so do not hesitate to sign up as a workshop organizer. It can be in anything from dancing, music, origami, rock-painting, patisserie, beer-tasting or whatever else you excel in.

If you organize a workshop, you will be excused from signing up for kitchen duty in return.

When you sign up for this event use the following link: <https://bit.ly/2Z4tBMc> where you must inform us of your wishes for accommodation. You will also have to sign up for a cooking-, cleaning- or workshop duty.

As Polyamory Denmark is sponsoring the rent and part of the entertainment budget, the total fee for participating in this weekend is only Dkr. 250 for members (Dkr. 400 for non-members). Your reservation is not valid until the fee is paid.

A more detailed programme will be released during August, when we know the list of workshops on offer.

Looking forward to seeing lots of poly people soon.

**On behalf of Polyamory Denmark**
